- Born in 2007 in Tuscany
- We sell in more than 30 countries

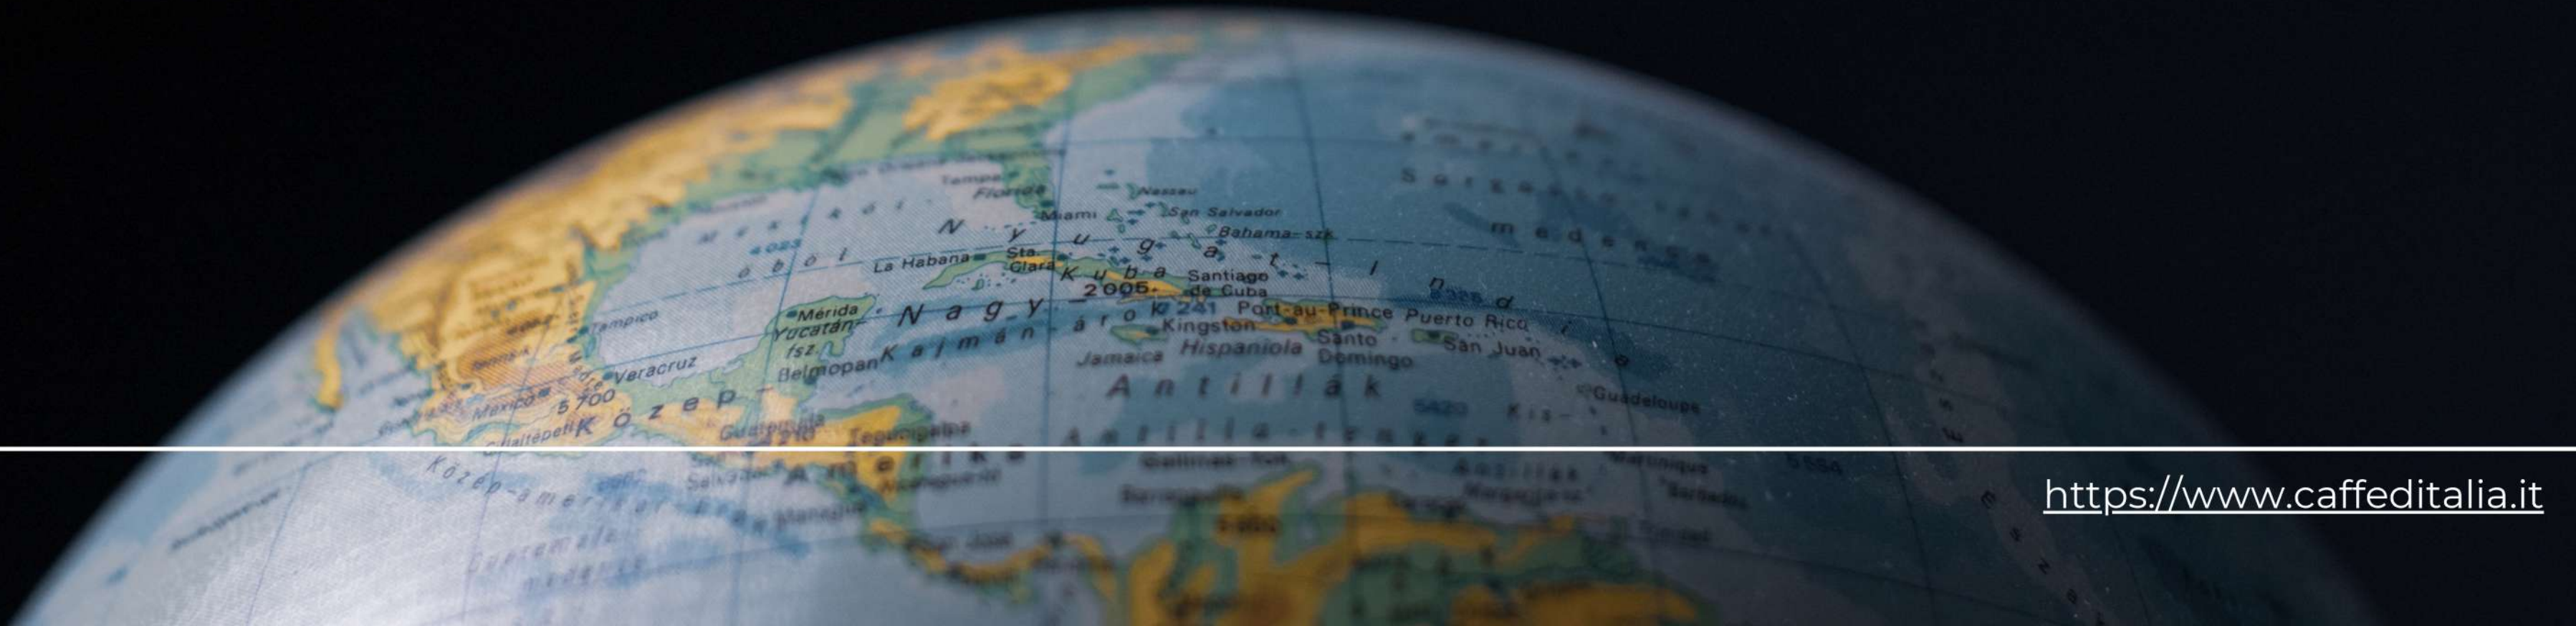

---

# CDI AROUND THE WORLD

---

Caffè d'Italia, selling in numerous countries, has been able to win over the palates of coffee lovers thanks to a superior blend and a focus on design and convenience. The closed capsule system not only guarantees an optimal taste experience, but has also revolutionised the way distributors work together. With area expertise, we promote collaboration rather than competition between distributors.

# Our products

All our coffee machines work ONLY with our square capsules.  
With ONE machine you can enjoy our entire product range!

- **SQUARE CAPSULES**
- Coffee powder
- Coffee machines for **HOME-OFFICE-HO.RE.CA** sectors
